

AL-ANON FAMILY GROUPS PUBLIC OUTREACH

Dear District Representatives:

Enclosed please find leaflets for “Are You Troubled By Someone’s Drinking?” The 20 questions asked are designed to help a person decide if they need Al-Anon. These leaflets can be a powerful and useful tool to encourage more people to join the fellowship. One of our committee members shared a story about a member in his home group. This person found out about Al-Anon through one of these very leaflets being dropped in his grocery bag. This person continues to be a member today.

Below are suggestions for what you and your groups can do with these leaflets to spread the word about Al-Anon:

- Shopping malls
- Churches
